

Improving health and care by connecting information

By securely sharing health and care information about you with the professionals involved in providing your care or treatment, they can make better informed decisions about your care.

Your local health and care organisations are working together to provide your care and they need the most up to date information about you.

For more information on how we do this, your rights and who to contact scan the QR code or visit the [Frimley Health and Care website](https://www.frimleyhealthandcare.nhs.uk)
